**Bushrangers hit Yarrowonga**

**The Bushrangers basketball squad had a good training run in Yarrowonga last Thursday evening.**

A number of the Bushranger players arrived to watch the Yarrowonga Mulwala under 10 girls preliminary final.

It is the intent of Bushrangers basketball to engage with all local associations and it is this engagement that will ensure the North East Bushrangers will be embraced by the local kids from all associations.

Bushrangers Basketball is all about providing talented local kids from

the North East of Victoria and Southern NSW the opportunity to play basketball at the highest level possible.

The Bushrangers currently play in the Big V competition. Bushrangers Basketball is relatively new with 2015 being the second season in the Big V.

Local lads Lloyd and Liam are stars of the competition and as well as being central to the Bushrangers team, they are both heading to Port Moresby for the Pacific Games on June 19, with the matches starting July 3.

There will be free entry for Yarrowonga Mulwala residents at the next Big V match on June 13

at the Wodonga Leisure Centre.

First up at 5pm will be the Lady Bushrangers versus the Casey Cavaliers and at 7pm the Bushrangers come up against the Keysborough Cougars.
